Camp

Camp Information

We agree to use our best endeavours to deliver all aspects of the Camp. We will use reasonable skill and care in the provision of services, but no guarantee is made that a Camp will achieve any particular result or outcome.

Approximately 4 weeks before the Start Date, we will send you a pack of information relating to the Camp which will include the location of the airport meeting point and a suggested packing list.

Accommodation

We will discuss your exact accommodation requirements when you book, but we reserve the right to change accommodation to that stated in the itinerary. If the accommodation in the itinerary cannot be secured, we will contact you to arrange alternate accommodation of the same standard.

Changes of Itinerary

Despite careful planning, it is possible that things will change and we may need to make changes to the itinerary. Camps are subject to alteration and re-arrangement in the event of unsuitable weather conditions and other factors which may arise.

Travel Insurance

It is a condition of booking that you take out appropriate travel insurance. Travel insurance should provide cover against personal accident, death, medical expenses and emergency repatriation. We also strongly recommend that the travel insurance covers cancellation, personal liability and loss of luggage and personal effects.

You must send us proof of travel insurance within 7 days of making the booking. If the travel insurance is connected to a credit card or bank account please provide the details of the participating insurer, the insurance policy number and emergency contact number.

We cannot approve your cover and are not responsible if it is inadequate.

Passport and Visas

You must carry a valid passport for travel to Australia. It is a good idea to make sure your passport is valid for at least six months after the date of return from the Camp.

It is your responsibility to ensure that you have obtained all of the correct visas, permits and certificates for entry into Australia. Remember to apply for any necessary visa in good time.

Health Requirements

Good health and a reasonable degree of mobility are required to participate in the Camps. All of the Camps involve strenuous and often rigorous activity. Please consult us if you have any doubts about your ability (or the ability of the participant) to take part in a particular Camp program.

You must disclose all necessary and relevant information in the Participant Information Schedule of the Booking Form, including emergency contact information and relevant medical information.

We reserve the right to accept, decline or cancel your participation in a Camp should your health, mental condition, physical condition or general deportment impede the operation of the Camp or the rights, welfare or enjoyment of other participants. Failure to accurately notify us of a medical condition or disability prior to commencement of a Camp may result in refusal of participation in the Camp on the day or during the Camp. Full cancellation conditions would then apply.

Limitations on our liability

We are not liable to you for:

- any event which happens before you join the Camp or after you leave the Camp;
- any problem arising from your failure to reach the meeting point on time;
- your own carelessness or negligence in any aspect of your behaviour whilst with us;
- medical emergencies; and,
- changes we reasonably make to any aspect of the management or delivery of the Camp.

You acknowledge and are aware of the usual dangers and inherent risks in sports and tourism-based activities and freely accept and fully assume all responsibility for such risks.

You release us from liability for personal injury or other loss sustained by you as a result of your participation in the Camp due to any cause whatsoever and indemnify us with respect to any loss, cost, damage or claim of liability suffered or incurred by us as a result of any liability.

Behaviour

We reserve the right to exclude or refuse any person access at any time prior or during the Camp if that person interferes with the general running and wellbeing of the Camp.

Medical Assistance

In the event of accident or illness you authorise us to obtain all necessary medical assistance and treatment and indemnify us with respect to any loss, cost, damage or claim of liability suffered or incurred in obtaining such medical assistance.

In the event of an emergency you give us permission to administer appropriate medical attention and indemnify us with respect to any loss, cost, damage or claim of liability suffered or incurred in administering such medical attention.

If we provide medical help to you, whether or not you specifically ask for it, we will provide receipts for all costs and you agree to repay us that cost.

Photography and Personal Information

You agree to allow us to use all photography and video footage taken during the Camp for publicity, advertising and promotional purposes.

You consent to the collection, use, and disclosure of your personal information in accordance with the National Privacy Principles as set out in the Privacy Act 1988 (Cth).

Complaints

We will try our utmost to provide a happy and fulfilling holiday, but if we fail in any way, please raise the issue with the Camp Coach and/or Guide. If your complaint is not dealt with to your satisfaction at the time of reporting, please email full details to admin@comeseedo.com.au
